

## Official Bio

May Busch works with good people who want to advance their careers and make the difference they're meant to make in the world – without sacrificing their values in the process.

After her own 24-year rise to Chief Operating Officer of Morgan Stanley Europe, she discovered the hidden shift that separates those who advance from those who plateau: it's not enough to deliver excellent performance – you also need to make your potential visible to key decision-makers.

As Founder & CEO of Career Mastery®, May has developed a practical framework that helps mid-career professionals accelerate their advancement while staying authentic. Her approach has guided hundreds of professionals toward promotions, leadership roles, and greater career satisfaction.

May is the #1 International Bestselling author of *VISIBLE: How to Advance Your Career without Playing Politics, Selling Your Soul or Working Yourself into the Ground* and *Accelerate: 9 Capabilities to Achieve Success at Any Career Stage*.

A Harvard College and Harvard Business School graduate, May serves as Senior Advisor for Leadership at Arizona State University and provides executive coaching globally. Her work proves that good people can finish first.

Everything May shares is what she wishes she'd had during her own journey.
